- **Mr. Mark Hopkins** (5) continues with radiation treatments every weekday. He has now passed the halfway mark for the total number of treatments. He is grateful that side effects continue to be minimal.
- **Mr. Ken Schemper** (5) began a series of ten radiation treatments last week Thursday. These treatments are scheduled for each weekday. Ken is hopeful that these treatments will be effective in relieving back and leg pain.
- **Mrs. Sandy Sloterbeek** (1) has been feeling stronger with less pain in recent weeks.
- **Mrs. Ruth VanZanten** (1) remains quite weak at the Brookcrest Christian Nursing Home as she recovers from pneumonia.
- **Mandy Ensing's father, Larry Root**, underwent extensive surgery on his neck and throat last week Wednesday. His surgery went well, but he faces a lengthy period of recuperation and eventual radiation and chemotherapy as a precaution.

A NOTE OF THANKS

"We thank you for all your thoughts, prayers, and cards that were sent to us in the passing of my mom last week. Also thank you Pastor Dan for your visit, it meant a great deal!" - Jon Larry & Pat Hulsebus
